There will be a meeting of the Social Club for business only on Friday the 22nd inst. The meeting will be held in the Commissary Hall.

Miss Wilson has arrived in Rugby from England, on a visit to her brother, Mr. C. H. Wilson. The passage in the *America* was the shortest on record.

Mr. Francis Taylor visited Dayton Tenn., and Chattanooga last week, and on Wednesday last returned to the latter city where he has found employment.

The Rev. W. D. Rosseter, District Secretary of the Southern branch of the American Tract Society, held Evening Service in Rugby, on Sunday, the 10 inst.

We have received a very interesting letter from the Hon. Alf. Marland, of Pittsburgh, which we regret to be compelled to defer till next week. Look out for it.

Rev. H. H. Sneed and Mrs. Sneed, of Chattanooga, visited Rugby on Wednesday last. Mr. Sneed conducted the Episcopal service in the evening and administered the Holy Communion.

Geo. Gatrell, Esq., Circuit Court Reporter to the Fifth Judicial Circuit of Michigan, and Special Examiner for the United States Court, has been spending a week with his family in Rugby.

Mr. Geo. Wells, formerly of Rugby, and now of Rockwood, has exchanged his lot in West Rugby for one on Cumberland Avenue, where he intends to reside; Rockwood is good, Rugby better. Mr. Wells is an intelligent citizen.

Frank, Maggie and Ida, the children of Mr. and Mrs. Shuttleworth, of Mt. Vernon, left Rugby, on Saturday, en route for Canada. Seldom do so young travellers set out alone on such a wearisome journey. They will however be carefully looked after, and we wish them a safe arrival.

The Masonic fraternity held their regular monthly communication on Wednesday Aug. 6, in the Masonic Hall. The Third Degree was conferred on one candidate; at a special communication held on Friday the Entered Apprentice Degree was conferred.

On the evening of July 31st a meeting was held in the Board of Aid's office to consider the feasibility of acquiring the plant and stock in trade of the Plateau Gazette, and which had been purchased for the benefit of Rugby and neighborhood of Mr. H. Kimber, of London. The meeting adjourned till the following evening, when under the presidency of Mr. Chas Skene, a stock company to be known as the Rugby Publishing Company, was formed for the purpose of raising the necessary capital for running the paper under the name of RUGBY GAZETTE.

The following resolutions were passed:

1. That a company be formed for the purpose of supplying funds to support the Plateau Gazette.

2. That the name of this company be the "Rugby Publishing Company."

3. That the capital of the company shall consist of 200 shares of \$5.00 each, and the liabilities of members shall be limited to the amount of their share.

4. That ten per cent. of the amount of shares be paid on allotment and ten per cent one month afterwards and the balance when called up, at no greater rates than ten per cent. per month.

After resolving to open a list of stockholders, and to appoint a committee to solicit further subscriptions, a vote of thanks to Alfred Marland, Esq., of Pittsburgh, Pa., for the valuable business suggestions afforded the meeting, was carried by acclamation. The meeting adjourned till Monday, Aug 4, when C. H. Blacklock presiding, it framed its Bye-Laws, a copy of which may be seen at the Board's office.

The following are a list of shareholders to date:

A. Marland, C. H. Wilson, N. H. Tucker, C. J. Pearreth, Wm. Baldwin, C. Skene, R. Walton, F. C. Fisher, C. P. Kemp, J. R. Lumley, A. L. Ross, C. Onderdonk, C. H. Blacklock, B. B. Devereaux, Mrs. Marland, Mrs. Hughes, Lottie Marland, I. Marland E. Marland, B. Riddell, C. A. Clark, C. S. Moore, S. E. Young, M. S. Percival, G. Gatrell, Mrs. A. B. Gatrell, G. W. Berry, E. M. Berry, L. H. Dorehill, and J. H. Blacklock.

Property holders and all the friends of Rugby (and they are many) are invited to take a live interest in the paper, by taking shares in the concern and subscribing for the weekly issue.

The paper will be published at the usual rate and occasional articles will appear from Thos. Hughes, Esq., and other friends of Rugby.

On Friday evening last Mr. and Mrs. Marland entertained a company of friends at supper at Twin Oaks, by the courtesy of Mr. and Mrs. Riddell. The reception and supper room were tastefully decorated with flowers, and the company partook of an excellent and fully appreciated repast, and spent a most enjoyable evening. There were present: Mr. and Mrs. Walton, Mr. and Mrs. Ross, Mr. and Mrs. C. A. Clark, Mr. and Mrs. G. W. Berry, Mr. and Mrs. Giles, Mr. and Mrs. Blacklock, Dr. Kemp, Messrs. F. Fisher, C. H. Wilson, C. Moore, C. H. and A. H. Blacklock.

Mr. Skene writes us as follows: Mr. W. J. Schaeffer, of Cincinnati who is prospecting on the Cumberland Plateau, on behalf of several parties in that city, visited Rugby last week and expressed himself highly pleased with the various lands he had seen in this neighborhood. Mr. S. says that he will be able to give his friends in Cincinnati a very favorable account of the country, and has no doubt that ere long they will come down to stay. Mr. Schaeffer also says that there is of late quite a number of people in Cincinnati who are enquiring into the agricultural and fruit growing capabilities of this section.

Mr. Pearreth, the Hon. Alfred Marland, General Devereaux and Mr. Walton, left Rugby for the North; Mr. Pearreth en-route for the "land-o-cakes." Happily all these gentlemen are property owners in Rugby; Gen. Devereaux having recently bought land of the Board of Aid, and intends to settle. Mr. Marland has recently added another lot to the one he is now improving, and Mr. Pearreth will return to buy a location and develop its resources. The General settled his business with military promptitude; He came, he saw, he bought—the manager smiled.

The *Live Stock Indicator* remarks, only two breeders of hogs, cut any considerable figure in the present pork production of the United States and these are Poland-chinas and Berkshires. The honors are evenly divided. This will encourage Mr. Giles of East Rugby, who has recently introduced a pure bred boar polander into this section. Our experience is in favor of the polander as the best all round hog for this district.

It is complained that at the English colony at Rugby, Tenn., the congregation in the Episcopal Church prays for Queen instead of the President of the United States. Still, as our Presidents have got along without the prayers of Rugby for a hundred years, there is no use in making a fuss about it at this late day.

What a compliment! Rugby is not a failure, and cannot be when her prayers are so powerful that the President can't get along very well without them. The *Philadelphia Call* is resigned to the situation, but we rejoice to tell its readers, that Rugby is loyal, it prays for the President first, and Victoria first afterwards.

Every reader of the RUGBY GAZETTE will be pleased to hear that occasional papers from the pen of Thos. Hughes and other friends of Rugby will appear from time to time.

We would call the attention of our readers, those especially in the neighborhood of Rugby, to the neat double-column advertisement of the Rugby Commissary. Give them a call.
